

How to get to the 18th EMIW Workshop from Barcelona Airport:

There are 3 main options:

- A) Train
- B) Shuttle bus
- C) Taxi

A) **Cheapest option: Train** (RENFE – Spanish Train Company):

The Workshop Venue (Auditori Pau Casals), and the accommodation (Hotel Casa Martí and Youth Hostel) are in two neighbourhoods of El Vendrell (Coma-Ruga and Sant Salvador). The closest train station is **Sant Vicenç de Calders** (NOT El Vendrell!!!!).

From **Aeroport del Prat** to **Sant Vicenç de Calders**:

You can come through any of these two possible ways:

- 1) Take the train at the Airport (See Airport Map), line C10, transfer in the first station “**El Prat de Llobregat**”, take a train with destination to Sant Vicenç de Calders (Line C2, green line in the map, direction South mainly along the Coast), transfer in **Vilanova i La Geltrú**, and get off at the last station (**Sant Vicenç de Calders**). (up to 1h 45 min in total, 2 transfers).
- 2) Take the train at the Airport (See Airport Map), line C10, and transfer in “**Barcelona Sants**” (20 minutes), take a train with destination to Sant Vicenç de Calders (Line C4, orange line in the map) and get off at the last station (**Sant Vicenç de Calders**). (1h 30min to 2h, depending on the connections, only 1 transfer).

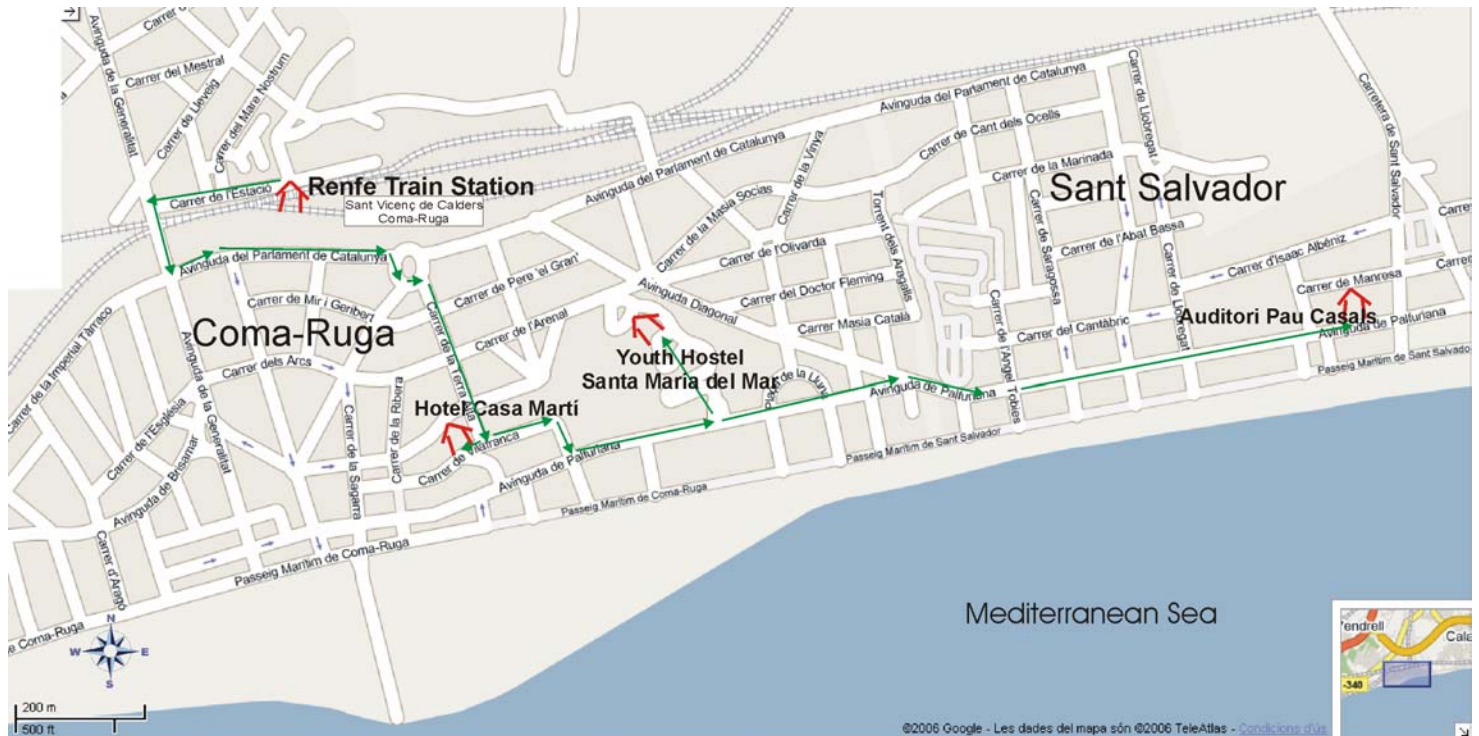

Approximate Cost: 4 € (one way). Buy one-way ticket (round trip only works for the same day). However, if you travel in group you can purchase a “T10 - 6 zones” multi-travel card (28.80 €), 10 tickets that may be used in both go and return trips.

Provisional timetables can be found in www.renfe.es. In September, these timetables will be updated and uploaded in the 18th EMIW web page.

Once in the Station of Sant Vicenç de Calders:

- both the hotel and the hostel are at 20 min – 25 min walking times
- The organization will provide a car service to carry luggages from the station to the hotel / hostel.

B) Shuttle bus:

On arrival days Saturday 16th, Sunday 17th and returning days Saturday 23th and Sunday 24th there is the possibility of booking shuttle transport from Barcelona Airport to El Vendrell. This service will have a frequency of about 3 h.

The cost of these buses will change depending on the amount of people, and will be around 15 € one way. If you are interested in this option, please send an e-mail to bus18emiw@gmail.com before the 5th of September specifying your arrival time and/or departure time, flight number and number of people, in order to plan ahead.
