Biennial Contest 2020

Call for entries
of the Biennial
Contest of
contemporary art
TAVCC | el Casino
4th edition.

OBJECT

The Centre cultural El Casino, which is dependent on Manresa Town Council, and the Taula de les Arts Visuals de la Catalunya Central (TAVCC) call for entries for the fifth edition of the TAVCC | El Casino Contest.

TAVCC is an independent standing consultative advisory body, whose objective is to promote, disseminate and coordinate visual arts works and contemporary creation proposals. It is made up of associations, facilities and singular projects representatives whose scope is focused on visual and plastic arts within Central Catalonia.

The aim of these Contest Rules is to develop an artist project which will be shown on the 2021's exhibition programme of Centre cultural El Casino's Espai 7. In addition, the contest offers the opportunity to reach agreements between the organization, the selected project and any of the art centres in the TAVCC area of influence, Central Catalonia, to do an itinerant exhibition.

Selection of artists and projects shall be governed by the following Rules:

APPLICATIONS

The contest is open to artists either individually or collectively –there are no constraints (age limit, nationality, etc.) – who submit a proposed project in accordance with these Rules.

This call is open to any discipline. Therefore, no artistic disciplines are specified, even though contemporary visual arts proposals will be prioritized.

It is not a prerequisite that applicant artists come from or live in any of the towns in Central Catalonia, although proposals which have something to do with this area of influence shall be valued positively.

To be accepted as an applicant, the proposal cannot have been beneficiary of any other TAVCC's contest.

DEADLINE AND PRESENTATION

All candidates shall submit their proposals by January 31, 2021, at 12.00 AM, in digital form at Manresa Town Council's website to get an entry register that will serve as a confirmation of the correct reception of the submitted documentation.

It is a prerequisite to submit all the required documents as indicated through the web address www.manresa.cat/seu/menu/fitxa/791. There, the candidates shall indicate "Premi TAVCC | El Casino" in the *petició (request) field at the general data of the instance.

To access the online submission, candidates shall identify by digital certificate, Idcat Mòbil, Cl@ve or MobileID. If this identification is not possible, the candidate shall register at the Manresa Town Council's website.

If the artist has any issue by delivering the project, he shall be able to contact the organization through the contact details at the end of this rules.

DOCUMENTATION TO SUBMIT

The submitted proposals are to include the following 3 files:

1. PDF file with the project development or proposal. The title of proposal and the name and surname(s) shall be indicated at the front cover.

Due to the fact that it is an exhibition prize, it is important – specially for investigation proposals or those who have a conceptual, procedural or theoretical character – to include in this document the exhibition format details (if you consider it necessary, you can include sketches and images). It is also necessary to foresee the transportation requirements.

2. Artist(s)'s CV, containing full personal details.

3. High quality image(s) of the proposal or project (300 ppi JPG file). If the candidate desire to upload more than one image, they all shall be included in a .zip file.

MONETARY VALUE OF THE PRIZE

The project development shall have a budget of €2.000 (two thousand euro), tax included.

This amount includes fees and production costs and it will be implemented through a private contract of artistic character.
