2018 BARCELONA WORKSHOP ON REGIONAL AND URBAN ECONOMICS

Territorial resilience: mitigation and adaptation

Barcelona, October 4th - 5th 2018
Faculty of Economics and Business, University of Barcelona

[AQR-IREA](#) is pleased to announce the 2018 Barcelona Workshop on Regional and Urban Economics, to be held in Barcelona on October 4th - 5th, 2018. The workshop will be focused on different aspects of Territorial Resilience. Its aim is to bring together cutting-edge research papers around two complementary and interrelated axis:

- Processes of mitigation (Resistance-Recovery), including topics such as migration analysis, inequality and social cohesion and labour market issues
- Adaptive resilience (Re-orientation-Renewal), considering ways to improve regional conditions, such as human capital and educational mismatches, Entrepreneurship and self-employment, and Regional development strategies, encompassing globalization and trade and smart regional strategies.

Empirical contributions will be preferred although we would like to include also some methodological papers.

Keynote speakers: [Alessandra Faggian](#) (Gran Sasso Science Institute, L'Aquila)
[Péter Benczúr](#) (Joint Research Centre, Ispra)

Audience: We will accommodate around 6-8 papers, to be presented in plenary sessions that will complement the keynote speaker's presentation.

Submission: Papers should be sent in pdf format to aqr_workshop@ub.edu before July 15th 2018. Extended abstracts or incomplete drafts will also be considered, but full papers will be favoured.

Travel and accommodation costs for presenters of accepted papers will be covered by the organisers.

Deadline for papers submission: July 15th 2018

Notification of acceptance: July 23rd 2018

Preliminary programme: September 5th 2018

Registration opens: September 6th 2018
