

The Pasqual Maragall Chair announces the resolution of the 2011 research grants call. The researchers awarded by the Chair are:

PUBLIC POLICY

Laia Balcells (Institut d'Economia Aplicada-CSIC), Jose Fernandez-Albertos (Centro de Ciencias Humanas y Sociales-CSIC) and Alexander Kuo (Fundación Juan March).
"Territory, Identity and Redistributive Preferences. An experimental approach "

APPLIED ECONOMICS

Joan Pasqual (Autonomous University of Barcelona), Eloi Serrano (Autonomous University of Barcelona) and Francesc Trillas (Autonomous University of Barcelona).
"The Olympic Games of Barcelona 1992 from the point of view of the Cost Benefit Analysis"

Due to the large number of applications received, and taking into account the high quality of them, the Chair has decided to award an access to the next project:

ACCESS

Aday Hernández (Universidad de Las Palmas de Gran Canaria) **"The Impact of High Speed Railway in Spain: Costs and Investments in Infrastructures"**
