If you want the full experience for your summer, choose a student housing arrangement. This information covers two options:
- A studio/room arranged by the AUAS
- An arrangement of your own

The AUAS Summer School starts on Monday 3 July 2017. When using the AUAS Summer School housing arrangement, the arrival date is Friday 30 June 2017. The departure date is Friday 7 July when attending a one-week course*, or Friday 14 July when attending a two-week course.
* If you take part in the once week course you are allowed to stay in your room for the full two weeks.

**STUDIOS AND ROOMS ARRANGED BY THE AUAS**

The AUAS Summer School has studios and rooms on offer for international students at different locations in Amsterdam. Please note, you will be always accommodated with a number of other Summer school students. The housing of students of each course depends on the number of participants. We will not be able to let you know which residence you will be staying in until the day of your arrival.

**Two types of rooms are offered:**

**Type 1: Studio**
- Private room with your own kitchen and bathroom;
- Furnished with a basic inventory;

Rooms will of course be cleaned before arrival, though, and bedding and cleaning supplies are available in the room.

The number of studios and rooms is limited, so please make sure to apply as soon as possible to save your spot!
Check-in and check-out

Residence assistants of the AUAS Summer School Support Team will be at the accommodations on Friday 30 June to welcome you, and to hand your key. If you are planning to arrive after 23.00 hours, you are advised to book a hotel for that night. The residence assistants will not be available at that time.

Housing is provided from Friday 30 June 14.00 hours, until 10.00 hours on the last Friday of the course. Unfortunately, it is not possible to prolong your stay in the accommodation. If you want to stay in Amsterdam longer, you will have to make other arrangements.

Public transportation

All AUAS housing locations have good access to the Amsterdam public transportation system (GVB). The cheapest way to get around is to buy a multi-day travel ticket for your stay in Amsterdam (€ 34 for 7 days). GVB's day or multi-day travel ticket provides you with unlimited travel through Amsterdam - day or night - by bus, tram, and metro. It becomes valid when you first check in. More information can be found on the GVB-website.

HOUSING ARRANGEMENTS OF YOUR OWN

If you do not wish to make use of the housing arranged by the AUAS Summer School, you are welcome to arrange your own accommodation. There are many ways to do so. Either through airBnB, through friends, in youth hostels or hotels, or through international student boards. Please be aware that the summer is a busy time in Amsterdam, so make sure you book well in advance.
