SURVEY TO INCOMING STUDENTS

ACADEMIC YEAR 2017-18 – SECOND TERM

SURVEY RESULTS

The purpose of this report is to present the results of the survey to incoming students of the second semester of the academic year 2017-18. We got the answer of 64 students from the 208 students that have been on exchange at our faculty during the entire course and the second semester. The survey is divided into two question blocks. In the first block, the questions refer to the University and courses and in the second, to the International Relations Office.
