

Graphic Design Intern

Full-time | Kuala Lumpur

UMAI

UMAI is a restaurant reservations app that gives users access to the best restaurant experiences their city has to offer, from the hottest new openings to Michelin-starred classics and neighborhood gems.

The team has extensive experience in building internet companies, including some of the largest e-commerce ventures in the Asia Pacific Region, and plans to expand UMAI to several countries in the next year.

This is not a formal corporate role. We are looking for someone who has a “hustle” attitude, is results-driven, self-motivated, and has a sense of humor.

It’s an opportunity for you to learn cool front-end technologies and work on a live project with top developers.

Your skills/attributes:

- An interest in website design / UX
- Good understand Adobe Photoshop, Illustrator and InDesign.
- A good understanding of best practice in digital design across typography and user experience
- Attention to detail and pride in the quality of work.
- An active learner who seeks answers and knowledge by researching and observing
- Has a positive attitude and demonstrates flexibility when supporting the production team

Your Role:

- Brainstorm and create design elements and concepts.
- Work closely with the Digital production team, designers and developers efficiently and to deadline.

What we offer:

- Competitive compensation commensurate with experience
- A dynamic and highly motivated team with flat hierarchies
- Great working atmosphere in an international environment
- Challenging and diversified tasks with direct responsibility
- Opportunity to learn and work with some of the best entrepreneurs in the world. We give you insights to all relevant aspects of founding a company and the opportunity to build up a meaningful international network.
