HP Business Academy 2011

HP Business Academy

July 2011 - HP Barcelona office

The HP Business Academy is a “best-in-class training” delivered to excellent fresh graduates coming from all Europe.

Through this program, you will be actively participating in different training modules (Business insight, soft skills, etc) and applying your knowledge to real business cases from a global perspective.

This experience will give you the opportunity to gain a clear strategic vision of the printing market, while acquiring a deep knowledge of HP products & solutions.

After this one-month training fully delivered in English by talented professionals, outstanding participants will get the opportunity to join as employees our international office located in Barcelona, Spain.

The program cost will be funded by HP and you will receive financial support to fund your stay in Barcelona.

We're looking for highly motivated candidates recently graduated in [Business Administration](#), English fluent and with outstanding analytical & communication skills.

If you are passionate about Business & Technology,
If you are interested in developing your business knowledge within an international environment,
If you strongly believe in your ideas and see issues as opportunities,

Requirements:

Languages: Fluency in English.

Academia requirements: Recent graduates in Business Administration.
