

# Call For Proposals for Location

**FoCM Conference in 2020**

**Deadline: November 1st, 2017**

**Send your proposal as a single PDF-file to:  
Michael Singer, Secretary of FoCM  
singer@math.ncsu.edu**

# Proposals for Location

## The proposals should contain:

- Time period: 10 days in 2020
- Geographic location, attractions
- Facilities for plenary lectures (300+ persons) and workshops (7 rooms)
- Housing and catering, average cost of accommodation and food, budget options for students
- Local organizing committee and institutions involved
- Estimated cost of the conference, including expenses such as rental fees, coffee breaks, plenary speakers, etc.
- Funding, including local sponsorships and external funds.

# Criteria for Selection

The FoCM Board of Directors chooses the next location.

## Some of the criteria of selection:

- Geographic diversity:  
*Park City, Rio de Janeiro, Oxford, Minneapolis, Santander, Hong Kong, Budapest, Montevideo, Barcelona*
- Affordability
- Accessibility
- Local mathematical community
