INVITATION TO PARTICIPATE
You are cordially invited to participate in this exciting international congress. We aim to provide a scientifically stimulating and socially enjoyable forum to meet and discuss results and ideas related to the conference theme. The meeting should be of interest to both academic and industrial participants, and although it is focused on Deep Water Circulation: Processes & Products, the congress is open to discussion of shallow water and even lagoonine drifts.

LANGUAGE
English will be the official language of the meeting and no translation facilities will be available.
