Dear Colleague,

This mail is to inform you that you will find the instructions to register for the XVIII International Congress of Oral History in the website: http://www.ub.edu/historiaoral.barcelona2014/. The Congress will take place in Barcelona from July 9th to July 12th 2014.

In the same website you will find different accommodation possibilities. Our University offers Student Residences. You can also contact directly Catai, the travel agency (alexcastells@catai.es) that has reserved rooms in several hotels.

Finally I want to remind you that if you want your communication to be included in the printed program, it has to arrive no later than April 30th, and that it has to be submitted in Word format; if you want to include any images, graphics or tables, please send them on a separate attachment.

Yours sincerely,
