

Please, find the link to access the **International Research Seminar** (IRS) of the Institute, **by Prof Mattia Bramini** (University of Granada, Spain), on Monday, June the 29th at 12:00h.

<https://eu.bbcollab.com/guest/c265596d1c6e4ffb99f54989390776f8>

The title of the talk is

"Neuronal-Nanotechnology: an overview of innovative biomedical tools for central nervous system disorders" (Announcement)

Below are the instructions to use the tool to participate:

1] Getting in the room

A few minutes before the talk, just click on the link and fill in your name, surname and institution

2] Follow the talk; keep your micro and video MUTED

3] Discussion.

A discussion after the talk will be entertained under the guidance of the MODERATOR. If you have questions, just "RAISE YOUR HAND" with the icon at the bottom of the screen. The moderator will yield the word by announcing your name to the room and then, the participant shall open its micro and video to intervene.

4] Other instructions

Please, do not use the individual chat between participants, since it is a public chat.

If you have questions, please write to in2ub@ub.edu

Thanks for participating and enjoy the talk!!
