

## Lista of students admitted to the Master in Biophysics – March 2007

### Pre-enrolled students admitted

Identified with the ID number provided in the pre-enrollment application.

G14192481 provisionally admitted  
AM4361739  
46409832\*\*  
47686605S  
1412585998

\* The University of Barcelona does not guarantee it will release a Master degree if, upon completion of the Master, the student has not yet completed his/her “licenciatura”.

\*\* Students whose academic title was obtained abroad must present an application for admission to an Official European Master. Approval of this application is necessary before enrollment to the Master in Biophysics. The present pre-enrollment admission to the Master in Biophysics does not substitute this approval.

If you are not in the list of admitted students, and you have not received a communication indicating that your pre-enrollment application has not been accepted, please contact us at [masterbiofisica@ecm.ub.es](mailto:masterbiofisica@ecm.ub.es)
