

## **ADMISSION TO THE OFFICIAL MASTER'S PROGRAM MASTER IN BIOPHYSICS**

List of admitted students on the 7<sup>th</sup> of February 2008 (DNI or passport number specified):

44015725  
39371194\*  
RC6178013  
H12035451  
47878531\*  
1715716302  
20471559\*  
07120016942

Note that admission in the program shall be subject to the applicant's presentation of the papers required by the University of Barcelona's regulations on postgraduate studies, the granting to the applicant of authorisation to enter this master's program by merit of academic qualifications awarded outside Spain and the applicant's payment of such enrolment fees as are due for this program.

In no circumstances shall the authorisation to enter postgraduate studies be used by the applicant either to accredit a university qualification awarded outside Spain or to seek the official recognition of such a qualification for any purpose other than the applicant's entry in the master's program specified above.

\* The Master's diploma can only be guaranteed if the BSc in Physics is finished in advance to the Master's studies.
