

SCA University Challenge Contest

Join the SCA University Challenge Contest and Win an SCA Inspiring International Internship!

Do you want to take on the challenge and develop an innovative hygiene solution for Team SCA in the world yacht race Volvo Ocean Race? You can win an SCA Inspiring International Internship. SCA, a leading global hygiene and forest products company that develops and produces sustainable personal care, tissue and forest products, invites you to a presentation where you can learn more about SCA and our participation in Volvo Ocean Race 2014-2015 and how to sign up for the exciting SCA University Challenge Contest.

**Welcome to join the presentation
on the December 1st
at 12 h Events Hall of the Fine Arts Faculty.**

At SCA we are interested in people who want to make a difference and contribute with new and innovative ways of thinking. Are you prepared to invest in your own development and in the company you work for? Are you a driven person who is constantly looking for challenges? If yes, then we are a perfect match!

“You want to make a difference every day. So do we.”

SCA is a leading global hygiene and forest products company with sales in about 100 countries. We develop and produce sustainable personal care, tissue and forest products under many strong brands, including Libero, Libresse, Lotus, Tempo, TENA, Tork and Vinda. SCA is participating in the Volvo Ocean Race 2014-2015 with an all-female team. Globally about 80 percent of the retail products SCA makes are purchased by women. SCA supports women's empowerment and their freedom to participate fully in society – by giving access to and education about hygiene products and solutions. With Team SCA, SCA makes it possible for women to participate in an arena normally reserved for men; conquering the unexpected and entering the future as a strong team.
