

Ordre d'automatrícula de l'alumnat de 2n, 3r i 4t curs de Pedagogia

Curs 2009-2010

Nota important: Recordeu que les assignatures optatives s'estructuren en cicles. Per la qual cosa es computaran exclusivament en el cicle al qual corresponen. Consulteu la distribució al [Pla d'estudis](#).

Avis per a l'alumnat que ha accedit directament al segon cicle de Pedagogia: Els complements de formació pendents de superar, s'hauran de matricular a la Secretaria de la Facultat abans de fer l'automatrícula. Així mateix, recordeu que no poden cursar assignatures optatives del primer cicle.

Per una errada del sistema informàtic alguns estudiants tenen assignat erròniament un dels últims dies programats per a la matrícula en aquesta relació.

Consulteu el següent [llistat](#) per tal de veure el dia correcte en el que podeu fer la matrícula a la Secretaria de la Facultat (de 10 a 13h, a la finestra d'incidències de matrícula).
