

Fourth LERU Doctoral Summer School criteria and selection procedures

General requirements

The candidate must be enrolled in a PhD course during the academic year 2012-2013 before 18th March 2013 (this is the deadline for the second period of enrollment in doctoral courses for the academic year 2012-2013).

Selection criteria

- a. Skills to achieve innovative results proved by the CV.
- b. Good written and spoken English level to follow the different activities of the Summer School successfully. The required competences should be proven by an English certificate and will be tested during the personal interview.
- c. An English motivation letter explaining the reasons for applying to the Summer School.

Calendar for the inscriptions

From 20th March (Wednesday) to 8th April (Monday), both included.

Inscription procedure

An online application form is available at [campus virtual](#). The following documentation must be attached to the application form:

- a. Curriculum vitae.
- b. English language certificate.
- c. Motivation letter in English.

Selection procedure

Expected date for interviews: 12th April.

Announcement of selected candidates: 15th April.
