Study at the University of Barcelona

Welcome to an excellent university in a vibrant city

INTERNATIONAL DEGREES AND COURSES 2013/2014

The University of Barcelona is one of the largest and more prestigious universities in Europe.

The University of Barcelona is ranked among the top 4 percent in the world.

The University of Barcelona leading academic position is solidly grounded on several centuries of uninterrupted commitment to the best research, and to state of the art academic curricula and teaching methods.

The University of Barcelona offers prospective students a broad range of innovative course offerings tailored to their needs and to the needs of society in general, thus placing the University at the head of academic fields in all relevant degree areas, from natural and social sciences to art and humanities. In the year 2013-2014, almost 90,000 students will attend the University of Barcelona spread among 66 bachelor’s degrees, 142 official master’s degrees, 71 doctoral programmes, and 367 UB-specific postdoctoral courses. Students from all countries can find the best and most diversified courses to meet their preference and needs.

The University of Barcelona gives high priority to those aspects of student life which improve studying experience and performance: members’ access to information and services of every type, support of members’ organization and participation in cultural, sporting and advocacy initiatives of all kinds.

The University of Barcelona gives high priority to those aspects of student life which improve studying experience and performance: members’ access to information and services of every type, support of members’ organization and participation in cultural, sporting and advocacy initiatives of all kinds. The six campuses of the University of Barcelona are all of them located in the centre of Barcelona, one of the most vibrant and attractive cities in the world.
1. UNDERGRADUATE STUDIES

1.1. Bachelor Degrees in English

- International Business (Faculty of Economics and Business)
- Business Administration and Management (Faculty of Economics and Business)
- English Studies (Faculty of Philosophy)

1.2. Bachelor Degrees partially in English

- Tourism (CETT) (Tourism and Hospitality School)
- Medicine (Faculty of Medicine)
- Biomedical Engineering (Faculty of Medicine)
- Basic Medical Sciences (Faculty of Medicine)
- Teacher in Primary Education (Faculty of Teacher Training)

1.3. Undergraduate Courses in English

- Bachelor in Chemistry: Laboratory of Physical Chemistry, Introduction to Nanotechnology, Final Project, Surfaces and Catalysis (Academic Year 2013/14)

Bachelor in Materials Engineering:
- Introduction to Nanotechnology, Chemistry I, Mathematics I, Microeconomics, Business Administration

Faculty of Economics and Business

Bachelor in Business Administration:

Bachelor in Economics:

Bachelor in International Business (Faculty of Economics and Business)
- International Trade Techniques
- Quality Management
- International Marketing
- Urban Tourism

Bachelor in International Tourism (Faculty of Economics and Business)
- Management Control in Catering Industry
- Local Management and Tourist Policies
- Real Estate Management in Tourism
- Customer Relationship Management
- Sales Management in the Hotel Industry
- Urban Tourism Management

Bachelor in Management Control in the Catering Industry
- Business Innovation and Entrepreneurship: Business Development Strategies
- Accommodation Categories: Management Models and Special Features
- Conceptual Tasting and Creative Cooking Process
- Food Production: Process and Application

2. GRADUATE STUDIES

2.1. Master's Degrees in English

- Economics (Faculty of Economics and Business)
- Business Economics (Faculty of Economics and Business)
- International Trade Techniques
- Company Taxation
- Business Econometrics
- Analytic Accounting
- Mathematics for Finance
- Game Theory and Applications in Economics
- International Economics
- Accounting II

Bachelor in English:
- Research in Economic History
- Development of Leadership and Entrepreneurship Competences
- Gastronomy
- Tourism Interpretation
- New Types of Tourism

Bachelor in Economics:
- Business Administration
- Finance
- International Business
- Marketing
- Management Control in Catering Industry
- Local Management and Tourist Policies
- Real Estate Management in Tourism
- Customer Relationship Management
- Sales Management in the Hotel Industry
- Urban Tourism Management

Bachelor in International Tourism (Faculty of Economics and Business)
- Business Innovation and Entrepreneurship: Business Development Strategies
- Accommodation Categories: Management Models and Special Features
- Conceptual Tasting and Creative Cooking Process
- Food Production: Process and Application

2.2. Master's Degrees partially in English

- Internationalization of Business
- International Marketing
- Business Research (Faculty of Economics and Business)
- Organizational and Personnel Psychology (Faculty of Psychology)
- International Economic Law and Policy (Faculty of Law)

2.3. UB-specific Master's Degrees in English

- EMVAQ – Quality in Analytical Laboratories (Faculty of Chemistry)
- EMT in BioHealth Computing (Faculty of Medicine)
- Photonics Engineering, Nanophotonics and Biophotonics (Faculty of Physics)

2.4. Erasmus Mundus Master's Degrees

- EMMIR – Chemical Innovation and Regulation (Faculty of Chemistry) (Year 2013/14)
- WOP – Work, Organizational and Personnel Psychology (Faculty of Psychology)
- MULTIE – Multiculturalism: Erasmus Mundus in Learning and Teaching of Spanish in Multilingual and International Contexts
- MathMods – Mathematical Modelling in Engineering: Theory, Numerics, Applications

2.5. Master's Degrees with high international registration

- Organ, Tissue and Cell Donation and Transplant
- Business Research (Faculty of Economics and Business)
- Urban Design: Art, City, Society
- Tourism Business Management (University School of Tourism CETT (affiliated center))
- Psychology of Work, Organizations and Human Resources
- Criminology, Criminal Justice Policy and Sociology of Criminal Law (Faculty of Law)
- Business Law (Faculty of Law)
- Hotel and Restaurant Management (University School of Tourism CETT (affiliated center))
- Internationalization (Faculty of Economics and Business)
- Applied Linguistics and Language Acquisition in Multilingual Contexts (Faculty of Philology)
- Advanced Medical Skills (Faculty of Medicine)
- Research in Dental Sciences
- Creation and Management of Innovative Technology-based Companies (Faculty of Economics and Business)
- Research in Teaching, Training and Educational Evaluation
- Latin American Studies
- Research in Sociology
- Lexis and Communication (Faculty of Philology)

3. PhD STUDIES

3.1. PhD with high international registration

- Advanced Studies in Artistic Production
- Advanced Studies in Social Anthropology
- Analytic Philosophy
- Applied Linguistics
- Aquaculture
- Arts and Education
- Biodiversity
- Biotechnology
- Business
- Citizenship and Human Rights
- Clinical and Health Psychology
- Cognitive Science and Language
- Construction and Representation of Cultural Identities
- Cultural and Heritage Management

Bachelor in Electronic Engineering and Telecommunications:
- Informatics
- Faculty of Philosophy

Bachelor in Philosophy:
- Political Philosophy
- Issues in Theory of Knowledge
- Philosophy of Science and Technology

Bachelor in Audiostream Communication:
- Digital Video
- Information Research Methodology
- Intellectual Property
- Specialized Metadata
- Management of Business in Documents and Information

CETT School of Tourism and Hospitality Education and Research (UB-affiliated)

Bachelor in Tourism:
- Tourist Communication and Marketing
- Hotel Organization
- Catering Management
- Tourist Destinations
- Strategic and Financial Management
- Tourist Projects Management
- Development of Leadership and Entrepreneurship Competences
- Gastronomy
- Tourism Interpretation
- New Types of Tourism

Bachelor in EcoEngineering E-Marketing
- International Hospitality Management
- Conference and Event Organization
- Management Control in Catering Industry
- Local Management and Tourist Policies
- Real Estate Management in Tourism
- Customer Relationship Management
- Sales Management in the Hotel Industry
- Urban Tourism Management

Bachelor in Urban Tourism
- Operational Management in the Catering Industry
- Business Innovation and Entrepreneurship: Business Development Strategies
- Accommodation Categories: Management Models and Special Features
- Conceptual Tasting and Creative Cooking Process
- Food Production: Process and Application

2. Master's Degrees partially in English

- Developmental Biology and Genetics (Faculty of Biology)
- Integrative Physiology (Faculty of Biology)
- Environmental Engineering (Faculty of Chemistry)
- Cultural Heritage Management (Faculty of Geography and History)
- History and Culture of Diet (Faculty of Geography and History)
- Biomedicine (Faculty of Medicine)
- Translational Medicine (Faculty of Medicine)
- Applied Linguistics and Language Acquisition in Multilingual Contexts (Faculty of Philology)
- Cognitive Science and Language (Faculty of Philology)
- Pure and Applied Logics (Faculty of Philosophy)

2.2. Master's Degrees partially in English

- Developmental Biology and Genetics (Faculty of Biology)
- Integrative Physiology (Faculty of Biology)
- Environmental Engineering (Faculty of Chemistry)
- Cultural Heritage Management (Faculty of Geography and History)
- History and Culture of Diet (Faculty of Geography and History)
- Biomedicine (Faculty of Medicine)
- Translational Medicine (Faculty of Medicine)
- Applied Linguistics and Language Acquisition in Multilingual Contexts (Faculty of Philology)
- Cognitive Science and Language (Faculty of Philology)
- Pure and Applied Logics (Faculty of Philosophy)

Research in Teaching, Training and Educational Evaluation
- Latin American Studies
- Research in Sociology
- Lexis and Communication (Faculty of Philology)
