Title: RESUM DE LA TRAJECTÒRIA CIENTÍFICA

Text:

La meva trajectòria acadèmica ha començat l'any 1992, amb una beca predoctoral del Ministeri d'Educació italià, que m'ha permès de realitzar el meu doctorat a la Universitat de Barcelona. Després del doctorat, he mantingut una estreta relació col·laboració amb la UB a través de la meva vinculació amb el Seminari Filosofia i Gènere, amb el Centre de recerca ADHUC i amb la Càtedra Unesco "Dones, desenvolupament i cultures". He format part de l'equip de recerca de diversos projectes encapçalats pel Seminari i des de 2009 he impartit docència en dos màsters oficials i en un postgrau d'aquesta universitat.

A Itàlia, he obtingut contractes postdoctorals a la Universitat de Florència, on he realitzat una investigació en el marc de la Càtedra d'Antropologia del Gènere sobre drets de les dones, fonamentalisme i multiculturalitat. Posteriorment, he obtingut una beca postdoctoral i dos contractes com a investigadora a la Universitat de Salento. L'any 2016 he obtingut l'"Abilitazione di seconda fascia" (acreditació com a professora agregada a Itàlia), i l'any 2023 l'acreditació com a lectora i professora agregada de l'AQU.

La meva investigació s'ha centrat en el pensament de les filòsofes del segle XX, amb especial referència al treball de María Zambrano. La meva tesi doctoral, dirigida per la D.ra Fina Birulés, (*summa cum laude*), ha estat la primera tesi a Espanya sobre aquesta filòsofa, i ha rebut el Premi de la Fundació María Zambrano i la Menció Especial del Premi Ciutat de Siracusa. Sobre Zambrano he portat a terme recerques pioneres com les publicades en el volum *Nacer por sí misma. Ensayos sobre Eloisa, Antígona y Diótima* que ha obert el camí a les lectures de Zambrano des d'una perspectiva de gènere i continua essent una obra de referència. Així mateix, el meu estudi sistemàtic de la relació de Zambrano amb Friedrich Nietzsche reconstruïda a través de investigacions d'arxiu i de textos inèdits, ha estat publicat a la prestigiosa col·lecció Nietzscheana de l'editorial ETS, i és fins ara la l'única monografia dedicada a la comparació entre aquests dos autors. Gràcies a aquestes investigacions m'he convertit en una estudiosa de referència de l'obra de Zambrano, de la qual també he estat una de les primeres traductores a l'italià, amb un número monogràfic de la prestigiosa revista *aut aut* (1997) en què he realitzat la selecció i traducció dels textos. També cal destacar la meva participació a la revista *Aurora. Papeles del Seminario María Zambrano*, que és la revista líder d'estudis sobre Zambrano, on publico articles des dels primers números, i pertanyo al seu Comitè Científic des de l'any 2012.

La reflexió metodològica, hermenèutica i historiogràfica que ha sostingut aquest camí m'ha dut a desenvolupar interès per la recerca arxivística i per l'estudi de documents privats o inèdits, com a recurs per identificar vincles, connexions i línies de transmissió en l'elaboració de la filosofia de les dones. En els darrers anys, aquest interès s'ha materialitzat en un projecte de recerca dedicat a la filantropia política femenina de principis del segle XX i la seva repercussió en les pensadores de principis del segle XX, amb especial referència als temes del treball, la crítica al model tecnològic i industrial i a la vulnerabilitat. El projecte de recerca, guanyador de dues convocatòries competitives a escala nacional a Itàlia, ha donat resultats significatius, entre ells, un congrés internacional i la publicació d'un volum per a l'editorial Palgrave.

Formo part del Comitè Científic d'*Aurora*, *OXÍMORA*, *Daimon*, i del consell editorial de *Segni e comprensione* i de la col·lecció "Género(s)" de les Edicions de la Universitat de Barcelona. A més, he estat avaluadora de AGAUR, del MIAS (Madrid Institute for Advanced Studies) i del FONDECYT de Xile, així com de les revistes *Isegoría*, *Daimon*, *Revista de Filosofía*, *Lectora*, *Prensas*, *Montevideo*, *Impossibilia*, *Aurora*, *Endoxa*, *Perífrasis*, entre altres.

Tinc gairebé 100 **publicacions**, una gran part a revistes indexades i en editorials de reconegut prestigi acadèmic. He realitzat edicions crítiques d'inèdits i obres de Zambrano (a destacar dos mecanoscrits sobre Dante i la seva correspondència amb Elena Croce, publicada en edició bilingüe a Itàlia i Espanya, guanyadora del premi Victoria Aganoor). HE publicat quatre monografies, així com assaigs en revistes i volums col·lectius a Itàlia, França, Espanya i els EUA. També cal destacar la coedició del primer monogràfic en castellà sobre Iris Murdoch de la revista *Daimon*, un monogràfic de *Lectora* dedicat al tema d'Europa en l'obra filosòfica de les dones i un doble monogràfic de *Segni e comprensione* sobre les xarxes filosòfiques de les dones.

Pel que fa als **projectes de recerca**, a Itàlia he estat l'IP de dos projectes, guanyadors de les licitacions "Future in Research (FIR)" i "Research for Innovation (REFIN)" i finançats per POR PUGLIA FESR-FSE 2014 / Fons Social 2020. Com a integrant de l'equip d'investigació he participat en dos Projectes PRIN ("Progetti di Ricerca di Interesse

Nazionale” finançats pel Ministero italiano della Ricerca e dell’Università) i en cinc projectes concedits pel Ministerio a l’equip de recerca del Seminari Filosofia i Gènere de la UB. Formo part de la SGR “Creació i Pensament de les Dones” des de 2009 i sóc coordinadora de recerca del Seminari Filosofia i Gènere i del Centro Studi Osservatorio Donna dell’Università del Salento. D’altra banda soc investigadora del projecte internacional “World Gender. Cultural and political translations of gender and gender studies” International Research Network-Irn Project, finançat pel CNRS França.

He tingut contractes per realitzar projectes de recerca i transferència de tecnologia amb empreses, administracions, ONLUS i organismes públics i privats, com la Regione Toscana, la Província de Bolzano, l’Ajuntament de Firenze, la Regione Puglia, el Teatre pubblico pugliese, les ONLUS Testarda, Nosaltres i COSPE de Florència, i la Fundació privada Le Costantine d’Otranto. He realitzat el primer curs de formació professional per a docents i operadors socials sobre Mutilacions genitals femenines, cultura, drets i polítiques del cos per a la Regió Toscana. He dut a terme una investigació pionera per a la Província de Bolzano utilitzant la metodologia de la interseccionalitat per tal d’analitzar els efectes de les discriminacions múltiples i de les polítiques públiques per a les dones migrants. En projectes més recents, he desenvolupat metodologies innovadores amb un ús ampli de les tecnologies avançades de la comunicació i la informació per promoure el patrimoni cultural a través de la recerca d’arxius, la microhistòria i la memòria oral. En aquest marc, de possible aplicació al sector turístic i empresarial, cal esmentar almenys la meva col·laboració amb la Fundació privada Le Costantine i l’empresa Dior al projecte “Le anime del tessile”.

Durant la meva trajectòria professional, ha estat important la meva tasca de **difusió i disseminació dels resultats** de la recerca a través d’articles, edicions de llibres i monogràfics, presentacions de congressos, traduccions, exposicions, intervencions radiofòniques, catàlegs fotogràfics, guions de vídeo, podcast, pàgines web, exposicions digitals, i cursos impartits en institucions culturals de reconegut prestigi com el Centre de Cultura Contemporània de Barcelona (CCCB), l’Istituto Gramsci toscano /Florença), el Consello de Cultura Gallego, el MUVIM –Museo Valenciano de la Ilustración y de la Modernidad–, el Teatro pubblico pugliese i el Festival dei Literatura di Mantova.

La meva **experiència docent** s’ha desenvolupat a diferents nivells (llicenciatura, grau i màster). He impartit cursos tant en modalitat presencial com en línia sobre Antropologia del gènere, Història del pensament polític, Pensament polític europeu, Ciutadania i drets humans i Teoria feminista tant a Itàlia como a Espanya. He estat professora en dos màsters oficials i un postgrau de la UB i he publicat materials docents en el Dipòsit Digital d’aquesta Universitat.

He participat en **tasques institucionals de millora de la docència i de gestió acadèmica**, com a “Garante” (responsable) del Col·legi Docent per al Curs de Grau en Ciències Polítiques de la Universitat del Salento, i com a Membre del Col·legi de Professors del Doctorat en Ciències Polítiques de la Universitat Roma Tre. Des de l’any 2020 fins al 2024 he format part, com responsable de formació, de l’equip d’EOS. Equal Opportunity UniSalento, que assessora i dona suport a la Delegada del Rector en Polítiques de Gènere.

Respecte a la **innovació docent**, vaig dirigir l’Erasmus Intensive Programme: “I saperi delle donne. Metodologie di ricerca e trasmissione/The knowledge of women. Research and transmission methodologies”, amb la participació d’estudiant i professors de les universitats de Barcelona UB, Paris VIII i Salento. Per mandat de la Delegada de Polítiques de Gènere i del Comitè Únic de Garantia de la Universitat del Salento vaig dirigir, als anys 2021-2023, l’Erasmus Plus Programme “Unisalento+. Qüestions de gènere”, que duu a terme cicles de seminaris, emissions radiofòniques, cicles cinematogràfics, exposicions i representacions teatrals com a suport a la docència i que representa un projecte pilot per a una Llicenciatura en Estudis de Gènere. He participat com a docent en la formació de INDIRE (Istituto Nazionale Documentazione e Innovazione Ricerca Educativa) i formo part d’un equip promogut per la Universitat Politecnico di Bari amb l’objectiu de formar un perfil professional de dissenyador-realitzador d’arxius tèxtils.

Teaching Activities

Ranking: B2. Coordination of projects for innovation or teaching improvement

Activity title: Erasmus Intensive Programme: «I saperi delle donne. Metodologie di ricerca e trasmissione/The knowledge of women». Research and transmission methodologies
