4- METHODOLOGY

Social sport meetings

1

Physical activities...

Challenge motor games with a recreational, cooperative and intercultural view.

2

Cross disciplinary activities...

A place to develop key competences and cohesion in the group of practice.

3

The participants...

Are in charge of modifying the activities and sharing their opinions about it.

SESSION PLAN

1.- Introductory part

- Introducing newcomers in the group
- How was the week?
- Reviewing what we did the past week
- Introducing the goal of the day

2.- Main Part

- Playing games
- Did you play a game like this?
- How can we modify the game to play and gain together?

3.- Final part

- How was the session and what can we do for the next?

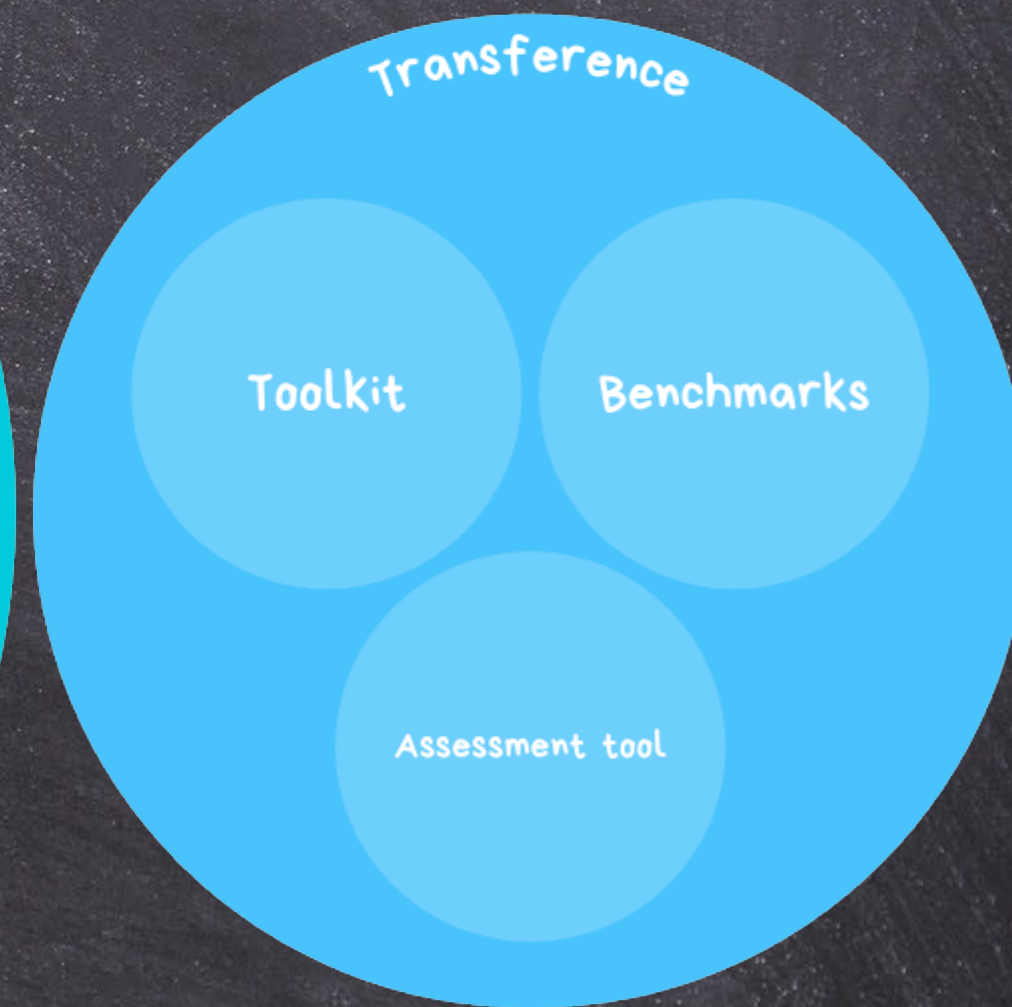

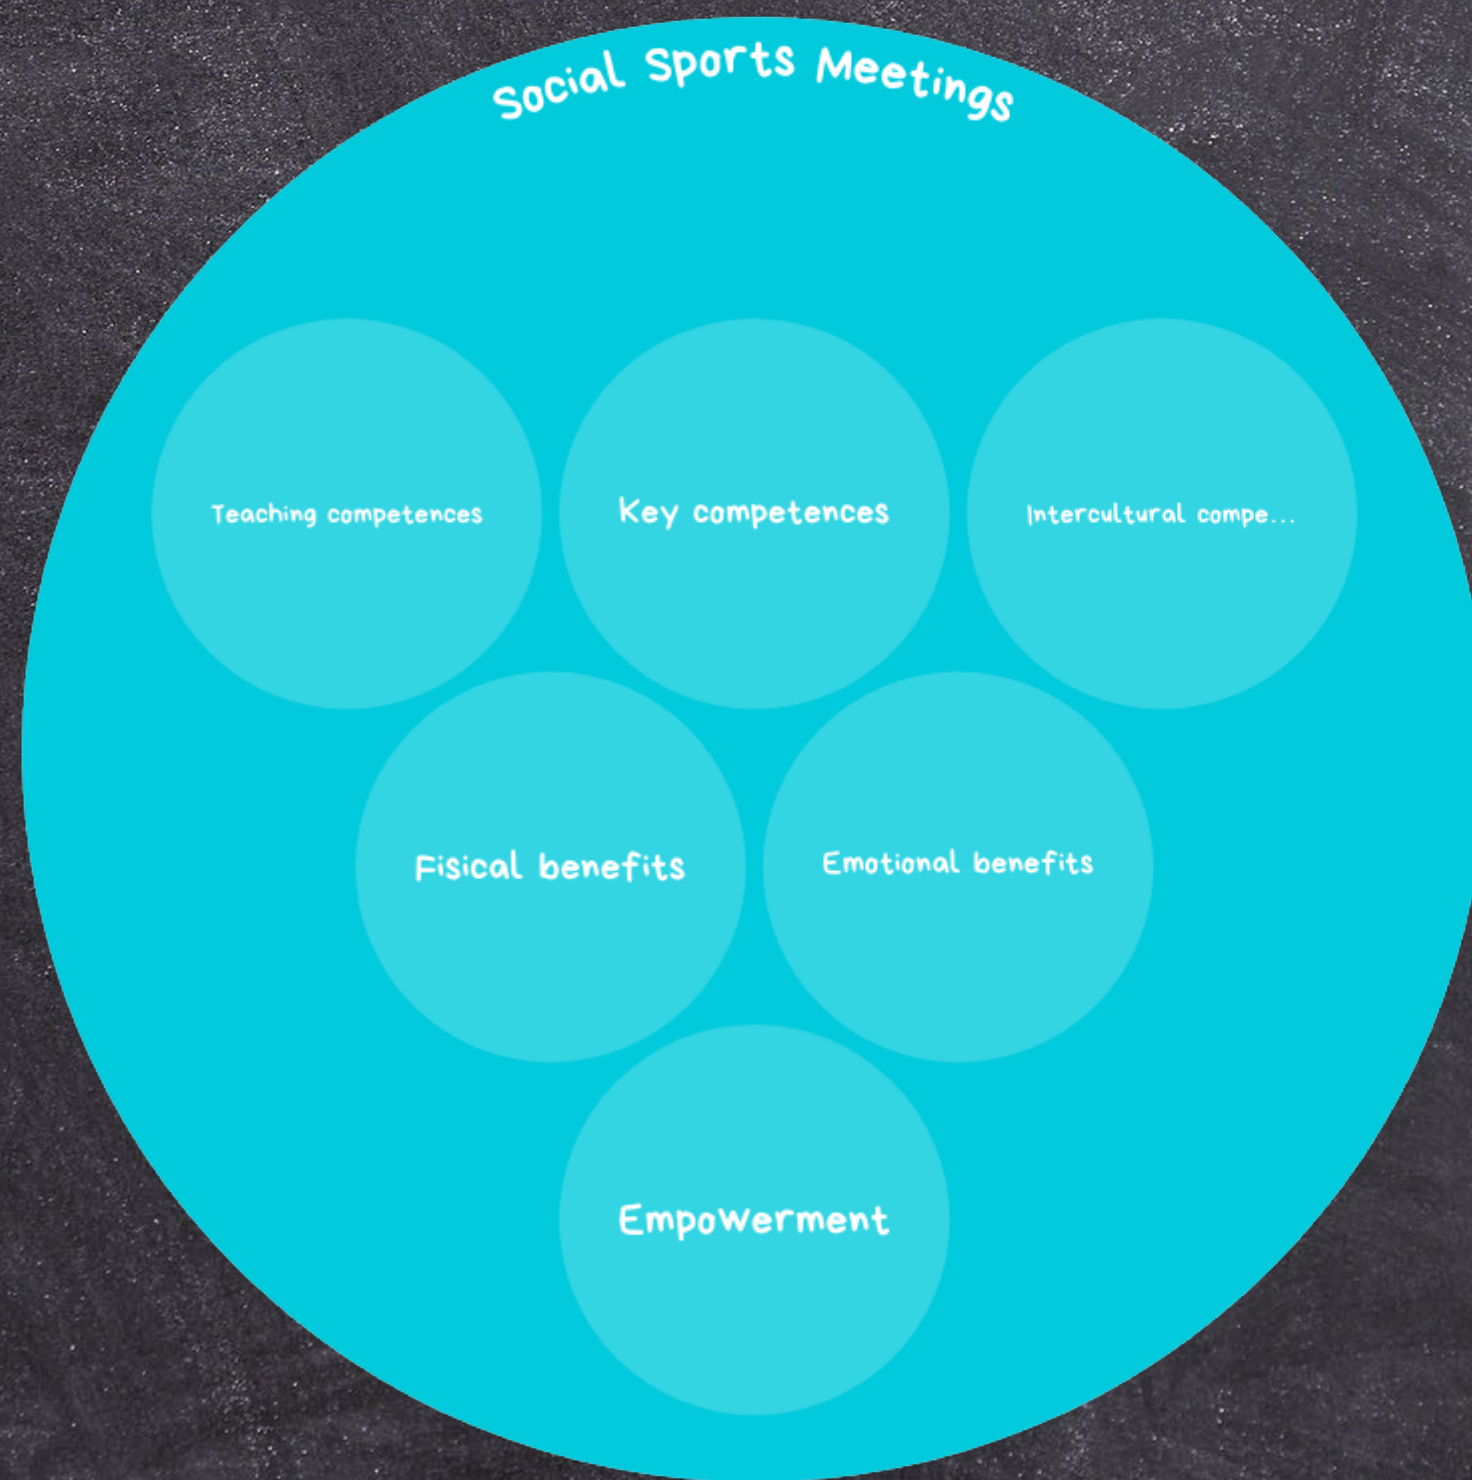

4.- “Pica -Pica” time

- Let us have a chat

**5.- RESULTS
EXPECTED**
