We have a new webpage for the international relations area at our Faculty! Please, consult all the information we make available for international exchange students there! Access to the new website [here](#).

International students' Guide

In order to get ready for your stay in Barcelona, please check the [Student Guide for Incoming students](#). You will find a lot of useful information here! Don't miss anything!

Accommodation

Regarding the accommodation options available in Barcelona, you can consult the following [link](#). The UB works with [Barcelona Centre Universitari \(BCU\)](#), which cooperates with most of the Catalan universities. BCU is a tool of the Government of Catalonia, the Barcelona City Council and the universities. BCU provides students with various accommodation options. Their accommodation service is called "[Your Student Housing](#)" and is oriented towards temporary students.

You can also find the UB Halls of Residence at the following [link](#).

Also, we would like to remind you that it is important to use the official resources regarding accommodation to avoid potential scams. Note that, in case anything happens, we can only intervene in case the accommodation has been booked through these **official providers**.

Courses and course registration

The registration of courses has already been done. If you have had any problem, there will be a modification period in September, open also to those students who missed the registration of courses period. Be aware that some courses are already full and that you will have to have some alternatives for each of your preferred courses.

You can check all the information about the courses of the Faculty of Economics and Business [here](#).

If you are interested, you can also take courses at other faculties of the University of Barcelona (but you will need to take at least the 51% of courses at our Faculty). To check the other Faculties of the UB and see their contact details, please check the [following link](#). You can contact directly the faculty in which you are interested to enroll some course and ask them which procedure should you follow in order to do so.

Academic calendar

Please, check the academic calendar of our Faculty in the following link: [Academic calendar 2022-2023](#).
