# INTERNATIONAL RELATIONS OFFICE

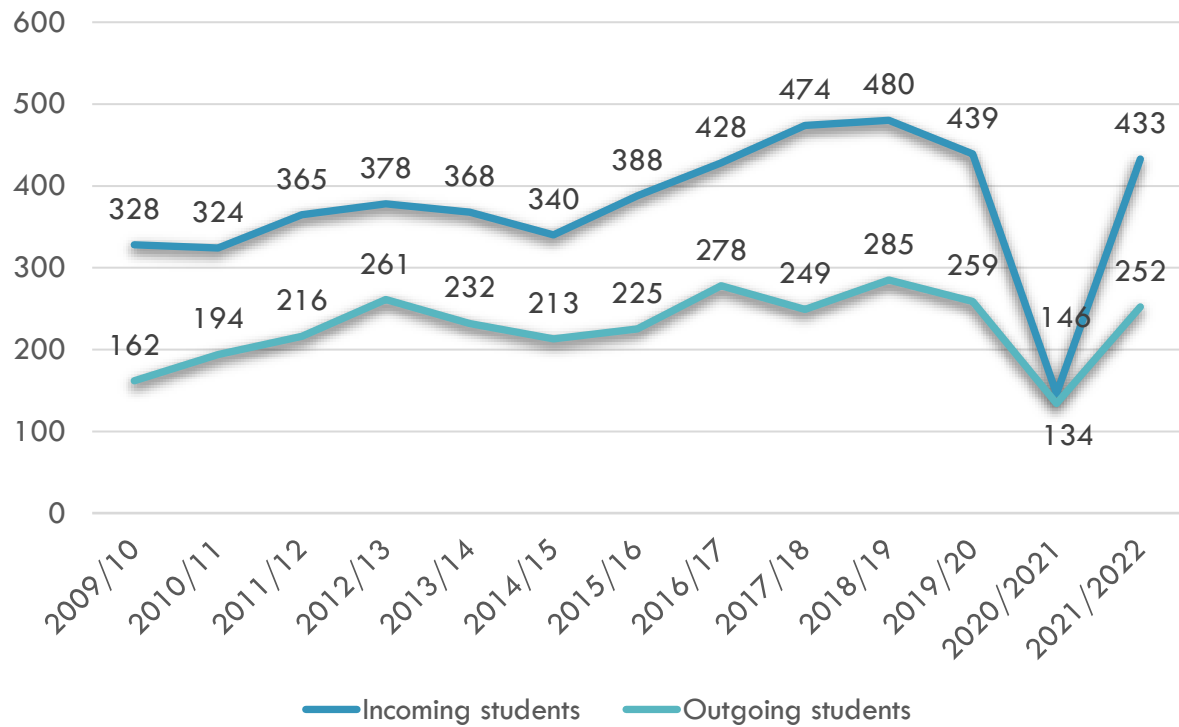

In the IRO-FEE you will find a team **committed to the internationalization** process of the centre and all its members.

We are truly passionate about this area, knowing firsthand the benefits international mobility programs bring to those who participate in them.

Towards a sustained mobility of more than 500 incoming students and more than 350 outgoing students per academic year.

### Total number of outgoing and incoming students per academic year

**About 500 international exchange students from all over the world expected on this academic year 2022-23.**

# GUIDELINES INCOMING AND OUTGOING MOBILITIES

**Information:** Comprehensive, accessible, clear and simple.

**Processes:** It is important to try to make processes as simple as possible. If a significant number of students fail to successfully complete a process, the process must be changed!

**Attention and support:** providing assistance and support in order to help solving the possible problems that may occur all the stages of their exchange and, specially on sensible matters, in are basic in order to improve the exchange experience.

# GUIDELINES INCOMING AND OUTGOING MOBILITIES

**Standardized processes** and information due to our high international mobility fluxes.

but..

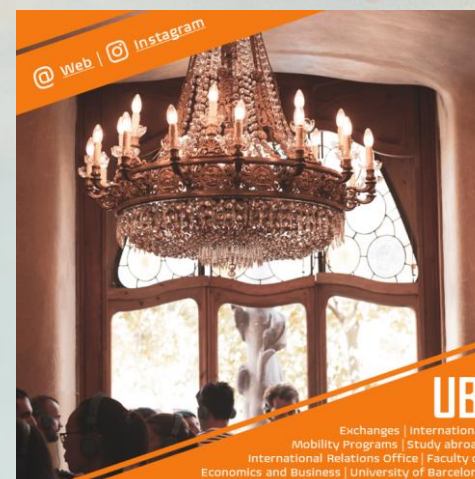

- ✓ **Well thought out processes and procedures**
- ✓ **Flexibility & accessibility**
