Wednesday, June 28th

- 09.30 – 10.00 Opening by **Mikel Aramburu**, head of the Department of Social Anthropology of the University of Barcelona
Introduction of the workshop by **Natalia Buier and Doris Buu-Sao**
- 10.00 – 11.30 Keynote conference by **Jaume Franquesa**: "Energy transitions: for an anthropological agenda"
- 11.30 – 12.00 *Coffee break*
- 12.00 – 13.30 **Panel 1 Global chains, local impacts: labour devaluation and ecological degradation**
- Alicia Reigada**: "The capital-nature and capital-labor conflict in the strawberry fields of Huelva: a historical approach" *
- Carlos de Castro, Andrés Pedreño and Miguel Ángel Sánchez**: "The ecological degradation of Mar Menor. Power, science and deep histories in global agriculture" *
- Discussant: **Camila del Mármol**
- 13.30 – 15.00 *Lunch*
- 15.00 – 16.30 **Panel 2 Reorganising work, reorganising nature: extractive economies and labour discipline**
- Andrea Tollardo**: "Selling the ground. The multiple latching of an Alpine extractive locality on global markets"
- Luisa Piart**: "Navigating climate change. An anthropological contribution to seafarers and over-extraction"
- Discussant: **Susana Narotzky**

Thursday, June 29th

- 09.30 – 11.00 **Panel 3 Productive transformations and reproductive crises: agricultural extractivism and rural conflicts**
- Marguerite Maclouf**: "The appropriation of water as a 'way of life'? The governance of an extractivist agriculture in Andalusia" *
- Andrés Pedreño, María Giménez and Antonio J. Ramírez**: "Extractivism of rural vitality or development model? Frontier of appropriation and conflict with pig macro-farms in the upper districts of Lorca (Region of Murcia)" *
- Discussant: **Esteban Ruíz Ballesteros**
- 11.00 – 11.30 *Coffee break*
- 11.30 – 13.00 **Panel 4 Shifting agricultural frontiers: agro-food systems and the reorganization of the global division of labour**
- Stefan Voicu**: "Capitalocene's fault lines. Peasant workers and capitalist farmers in Romania"
- Maura Benegiamo**: "Accumulating social reproduction? Debt, labour and ecology in the digitalisation of agriculture"
- Discussant: **Jaume Franquesa**
- 13.00 – 14.30 *Lunch*
- 14.30 – 16.00 **Panel 5 Social relations of de-carbonisation: labour in the energy transition**
- Rocío Hiraldo**: "Broadening and complicating the extraction-exploitation nexus: interacting counter-narratives in the Spanish energy transition"
- Theodora Vetta**: "Deperipheralising the European South? On energy crisis, labour and rent"
- Discussant: **Antonio Maria Pusceddu**
- 16.00 – 16.30 *Coffee Break*
- 16.30 – 17.30 Concluding remarks: **Susana Narotzky, Natalia Buier and Doris Buu-Sao**

* Presentations whose titles are followed by an asterisk will be in Spanish.

Participants

Maura BENEGLIAMO, University of Pisa

Natalia BUIER, University of Barcelona

Doris BUU-SAO, University of Barcelona

Carlos DE CASTRO, Autonomous University of Madrid

Camila DEL MÁRMOL, University of Barcelona

Jaume FRANQUESA, University of Buffalo

María GIMÉNEZ, University of Murcia

Rocío HIRALDO, University of Santiago de Compostela

Marguerite MACLOUF, Paris School for Advanced Studies in Social Sciences – EHESS

Susana NAROTZKY, University of Barcelona

Andrés PEDREÑO, University of Murcia

Luisa PIART, Max Planck Institute for Social Anthropology

Antonio Maria PUSCEDDU, Centre for Research in Anthropology (CRIA-ISCTE, Lisboa)

Antonio RAMÍREZ, Complutense University of Madrid

Alicia REIGADA, University of Sevilla

Esteban RUIZ BALLESTEROS, Pablo Olavide University

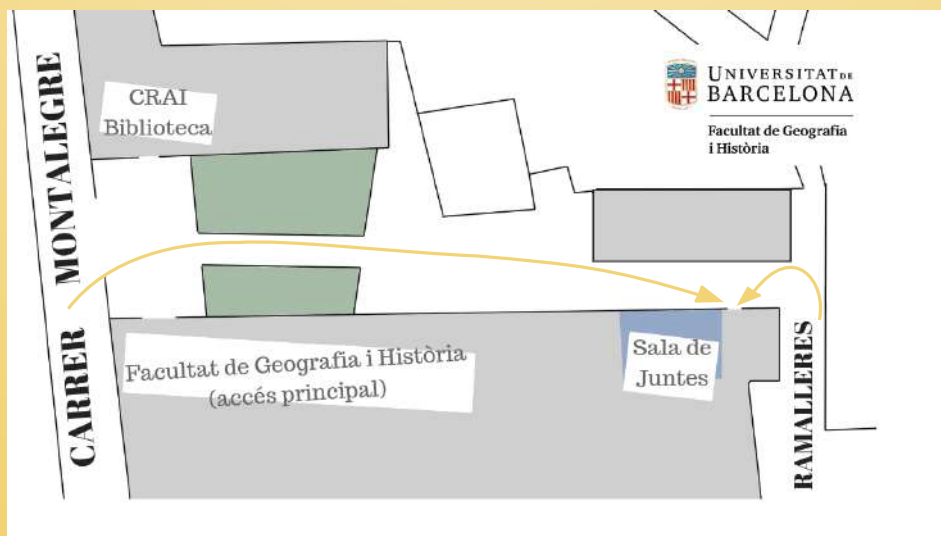

Miguel Ángel SÁNCHEZ-GARCÍA, University of Murcia

Andrea TOLLARDO, University of Milano-Bicocca

Theodora VETTA, University of Barcelona

Stefan VOICU, University of Bologna

The workshop will take place in the Sala de Junes of the Geography and History Faculty of the University of Barcelona, Carrer de Montalegre, 6, 08001 Barcelona.
