

National Research Council - CNR

Institute of Condensed Matter Chemistry  
and Technologies for Energy

**Position:** Postdoc/Researcher (one year) at CNR-ICMATE Genova-Italy

[https://www.urp.cnr.it/copertine/formazione/form\\_concorsi/concorsi2023/400-7-ICMATE-PNRR\\_eng.pdf](https://www.urp.cnr.it/copertine/formazione/form_concorsi/concorsi2023/400-7-ICMATE-PNRR_eng.pdf)

**Topic:**

Design and development of highly hydrophobic coatings for environmental applications.

**Experience required:**

Preparation of disperse systems, microfluidic, surface characterization and wettability properties

**Contact to Dr. Michele Ferrari (michele.ferrari@ge.icmate.cnr.it): send CV and motivation letter**
