The Language and History of the Hurrians and Urartians:
Fourth Complementary Bibliography

Wilfred G. E. Watson – Northumberland
11 Park Drive, Morpeth, NE61 2SY (UK)

[Como complemento a los cuatro boletines bibliográficos anteriores, el primero titulado “La lengua y la historia de los hurritas y de los urarteos. Panorama bibliográfico”, publicado en *AuOr* 22 (2004) 267-301, el segundo “La lengua y la historia de los hurritas y de los urarteos: bibliografía complementaria”, publicado en *AuOr* 25 (2007) 293-310, el tercero “La lengua y la historia de los hurritas y de los urarteos: segunda bibliografía complementaria”, publicado en *AuOr* 28 (2010) 93-119, y el cuarto “La lengua y la historia de los hurritas y de los urarteos: tercera bibliografía complementaria”, publicado en *AuOr* 31 (2013) 109-138, aquí se hace un elenco de una serie de añadidos que incluyen la bibliografía de años anteriores.]

Palabras clave: Alalah, Anatolia, arqueología, Arraphe, arte, Boğazköy, historia, hurritas, lengua hurrita, lengua urartea, metalurgia, Mitanni, Nuzi, religión, urarteos, Urartu.

[To supplement the four previous bibliographical bulletins, the first with the title “The language and history of the Hurrians and Urartians”, published in *AuOr* 22 (2004) 267-301, the second “The language and history of the Hurrians and Urartians: Supplementary Bibliography”, published in *AuOr* 25 (2007) 293-310, the third “The language and history of the Hurrians and Urartians: Second Complementary Bibliography”, published in *AuOr* 28 (2010) 93-119, and the fourth “The language and history of the Hurrians and Urartians: Third Complementary Bibliography”, published in *AuOr* 31 (2013) 109-138, a classified list of additions is given here, including items from previous years.]

Keywords: Alalah, Anatolia, archaeology, Arraphe, art, Boğazköy, history, Hurrian, metal-working, Mitanni, Nuzi, religion, Urartian, Urartu.

Los libros más llamativos desde que la bibliografía anterior se publicó son el glosario extensivo de vocablos hurritas de Thomas Richter, y los no menos que seis libros de Arnaud Fournet sobre el hurrita, y para el urarteo, el *Corpus dei testi urartei* de Mirjo Salvini. La revista *KASKAL* 10 (2013) incluye una sección sobre los textos hurritas provenientes de Ortaköy/Şapinuwa (p. 129-183)¹. También destacan los
