In the article “Cue-reliance and vowel perceptual patterns of Cypriot Greek children who learn English” by Georgios P. Georgiou (*Estudios de Fonética Experimental*, XXVIII, pp. 229-253), there was an error in Section 4. The sentence “The results showed significant differences for the goodness of fit ratings of /ɪ/ - /i:/, [t(25) = 1.33, p=0.01], /e/ - /ɜ:/ [t(25) = - 0.91, p=0.01], and /ʊ/ - /u:/ [t(25) = 2.07,

p=0.001]; all these contrasts signaled a CG assimilation type” should have read “The results showed significant differences for the goodness of fit ratings of /ɪ/ - /i:/, [t(25) = 2.51, p=0.01], /e/ - /ɜ:/ [t(25) = - 2.41, p=0.01], and /ʊ/ - /u:/ [t(25) = 4.07, p=0.001]; all these contrasts signaled a CG assimilation type”.
