# FOOD & DRINK

The screenshot shows the 'Gastromap' application interface. On the left, there is a sidebar with a red header containing a menu icon, the title 'Gastromap', a search icon, and a three-dot menu icon. Below the header, it shows '83 vistas' and a 'COMPARTIR' button. A red checkmark indicates that the file 'Restaurants&Bars&Cafeterias.xlsx' is loaded. A list of food and drink categories follows, each with a corresponding icon: Japanese (orange circle), Tapas (green circle), Mediterranean (blue circle), Pub (black circle with white glass), Pizza (red circle with white slice), Veggie (green circle with white leaf), Italian (green circle with white fork), Cafeteria (blue circle with white coffee cup), Beer (yellow circle), Mexican (red circle with white sombrero), Pastry (teal circle with white fork), and Asian (black circle with white bowl). The main area is a map of Barcelona, densely populated with these colorful icons. The map includes labels for various districts like GERVASI, GRACIA, and DISTRICTO DE SAN MARTÍN, as well as landmarks like Park Güell and the Museo del Fútbol Club Barcelona. At the bottom right of the map area, there is a white rounded rectangle containing the text '#GastroMap'.
