How Do I Find a Support Professor?

Have a look at the list of professors on the LMU website to get an overview

- Your Support Professor must be a full professor at LMU
- Contact professors whose research interests match yours
- If you need help, do not hesitate to get in touch with us

What Does a Support Professor Do?

- Your Support Professor will act as your academic mentor, provide your workplace and will ensure your integration into the relevant faculty/department
- Your Support Professor will sponsor 50% of your salary
  …for one year (Outgoing Fellows)
  …for two years (Incoming Fellows)

Interested?

The LMU Research Fellowships Team is happy to help you with any questions you may have.
About the Program
The LMU Research Fellowships support the career development of outstanding postdocs from all fields of research.

What’s on Offer?
As a fellow, you will benefit from:

- a two-year fellowship with a competitive salary and a substantial research budget (in exceptional cases, three years may be granted)
- managing your own research project with the support of an LMU professor
- undertaking research stays at international partner organizations
- an excellent infrastructure and a wide variety of professional training options
- the vibrant interdisciplinary exchange at the Young Center of LMU’s Center for Advanced Studies
