

UNIVERSITAT DE
BARCELONA

Departament d'Econometria, Estadística i Economia Aplicada
Secció de Polítiques Públiques
Facultat d'Economia i Empresa

The Department of Econometrics, Statistics and Applied Economics (Public Policies section) of the University of Barcelona School of Economics is offering a **Tenure-eligible** (Professor Lector) position.

Field of interest: **Applied Economics**

Code: **UB-LE-212-006**

The University of Barcelona is a leading centre in southern Europe, with a strong commitment to excellence in research. It enjoys a long tradition of teaching, offering both undergraduate and postgraduate degree programmes in the field of Economics and Business. In this framework, UB School of Economics provides an important platform for research and graduate education in Economics, as it encompasses the Master and the Doctoral programme in Economics, which are entirely taught in English (www.ub.edu/school-economics/).

There will be the opportunity to carry out research activities in the framework of the Research Group on Governments and Markets (GIM) and Observatory on Analysis and Evaluation of Public Policies (OAP). The GIM & OAP goals are to promote research excellence in economics with different research lines including Economic Analysis of Governments, Policy Evaluation, Environmental, Transport and Health Economics (<http://www.ub.edu/gim/en/>).

The successful candidate will be expected to teach in the undergraduate and postgraduate programmes, to develop independent research programmes achieving international recognition, and to be involved in the Department, GIM, OAP and School research activities.

Application instructions:

Applications should be submitted according to Serra Hunter Program rules (https://serrahunter.gencat.cat/en/informacio_per_als_candidats/presentacio-de-candidatures/index.html)

Deadline for applications: **October 14th, 2021**
