

MASTER IN RESERVOIR GEOLOGY AND GEOPHYSICS

List of candidates admitted in the 3rd meeting of the Master Coordinating Committee

Admitted candidates (IDCard or Passport number):

1- 03540998X
2- 48264964

3- 49882387
4- G20122243

Notes:

- The candidates that have not paid the amount of registration or delivered the complementary required documents before the Wednesday June 30th have not taken into consideration in the elaboration of this second list of master admitted candidates.
- In this third meeting of the Master Coordinating Committee, it has been established that a maximum of 4 candidates could be admitted in this second recruitment selection.
- Unlike in the first meeting in which the candidates coming from foreign countries were prioritized, in this selection we have prioritized the candidates coming from Spain or from CEE countries. In the fourth selection meeting, we will prioritize the candidates coming from the Catalan universities.
- The candidates included in the waiting list will be admitted if any of the accepted candidates declines to be enrolled in the master. Otherwise, their application will be considered again in a fourth meeting of the Master Coordinating Committee that will take place at September in which up to 8 new candidates will be admitted.
