6. Credits and Grades

The University of Barcelona uses ECTS (European Credit Transfer System) which is based on the principle that 60 credits equal the workload of full-time studies during one academic year. It's advised that students make a Learning Agreement including between 23 and 30 ECTS by semester.

Grades are regulated by Royal Decree 1125/2003, 5 September, and are awarded according to the following numerical scale from 0 to 10:

0,0 - 4,9: (SS) Fail
5,0 - 6,9: (AP) Pass
7,0 - 8,9: (NT) Merit
9,0 - 10: (EX) Excellent / (MH) Excellent with honors
PQ: Grade pending | NP: Absent

The University of Barcelona's ECTS grading scale describes individual student performance in relation to the cohort as a whole, using the results of the two previous academic years

In this scale, the students who pass a subject are divided in five groups: the top 10%, next 25%, next 30%, next 25% and lowest 10%, also called A, B, C, D and E, respectively. When a student's grade cannot be quantified, this is indicated by the abbreviation "nq".

7. Language Requirements

The Faculty of Fine Arts/UB **requires to have a B1 as the minimum level necessary of knowledge in at least one of the two languages (Catalan or Spanish)**. It is important to mention that our bachelor's courses are offered either in Catalan or in Spanish (depending on the chosen subjects). We do not offer courses taught in English however, the students will be able to communicate in their native language with some of our teachers and with the other students.

We require an official certificate issued by an official institution where it's clearly stated your name and your level of Spanish in accordance [on the Common European Framework of References for Languages CEFR](#). We recommended the language certificates table recognized by [ACLES](#). OLS certificate will not be accepted.
