

## XIV TALLER D'INVESTIGACIÓ EN FILOSOFIA

---

UNIVERSITAT AUTÒNOMA DE BARCELONA, 12-13 JANUARY 2012

### Call for papers

This call for papers is addressed to graduate students and doctors in philosophy who finished their PhDs during the last 3 years. All submitted papers must be in English, Catalan or Spanish; and must be on philosophical issues. However there will be no further restrictions as regards topics or areas in philosophy. Accepted papers will be presented at the workshop (45 minutes) followed by a commentary (15 minutes) and an open discussion (30 minutes). There are two ways of participating in the workshop, as a speaker or as a commentator.

### Contributed papers

Authors should send an extended abstract in between 2000 and 2500 words (where the thesis defended and the arguments backing them up should be clearly stated) to <[14tifUAB@gmail.com](mailto:14tifUAB@gmail.com)>. Abstracts should be arranged for blind refereeing. On a separate sheet of paper the authors will include their full name, e-mail address, title of their contribution and university or institution to which they belong. The selection will be carried out by the members of our scientific committee. Authors may also express their interest to participate as commentators.

### Commentators

Those interested in participating as commentators should send their data (name, e-mail address, institution and a short CV) to <[14tifUAB@gmail.com](mailto:14tifUAB@gmail.com)>. A description of the main areas of philosophy they are interested in will also be required.

### Deadlines

Submitted papers will be accepted until the 26<sup>th</sup> September 2011. The result of the selection process will be communicated to the authors by the end of October 2011. Speakers must send the final version of their papers before the 21<sup>st</sup> of November 2011.

### Organizers

The XIV TIF is organized by Aldo Filomeno, Albert Solé and Marta Vidal and supported by GRECC, with the collaboration of *Facultat de Filosofia i Lletres* of the *Universitat Autònoma de Barcelona* and the Spanish Ministry of Science and Innovation.
